

Cubmasters and Webelos II Leaders

NORTHWEST DISTRICT 2009 FALL CAMPOREE

Webelos II's! The Northwest District Fall Camporee is a great way to visit a troop activity and see what a Boy Scout camping experience is really like. Coordinate with your partner Boy Scout Troop to attend the 2009 Fall Camporee. They will escort your boys to the activity stations of **Super**

Heroes where they will become part of a patrol and participate in various events throughout the day. Your partner troop will provide meals at their campsite for the Webelos II's and their parents. Getting to know the troop couldn't be more fun. If your partner troop is not going this year, or you have any questions about partnering with a troop, contact your district executive.

SUPER HEROES
