Generally there are no fees for the above listed training except for the All-Training Days. The fee covers lunch and training materials.

Individual Northwest District Scout units may make arrangements with the District Training Chair for Troop Committee Challenge or any other desired training course, to be presented at a site convenient to you. We ask that you allow others from the District to attend at your site if possible.

Many training courses are now on-line at www.scouting.org including New Leader Essentials (This is Scouting), Safe Swim Defense, Safety Afloat, Youth Protection, Troop Committee Challenge and all Fast-Start courses.
